

To our 2018 Post 16 leavers:

Now that you have left King Edward VII School as a student this note is to invite you to consider volunteering in School, either during your gap year or when you return home in vacation time. For those of you taking a gap year and wanting to pursue a career where having worked in a school setting would be perceived as an advantage in any application process we would be happy to employ you as a volunteer at Lower School in a range of roles supporting students.

The role could include playing chess and/or other board games, helping with reading and research, outdoor activities including football, and managing behaviour. We are looking for a minimum commitment of one term, for at least three hours, including the period 12-1.15.

For those of you in education, our students would value hearing about your experiences. If you would be happy to talk to a group of Year 12s about your course etc. then we would be pleased to hear from you.

If you are interested in these or any other volunteering activities then please contact Mrs Sarah Asquith-Richardson at Lower School or email volunteering@kes.sheffield.sch.uk
