

DID YOU KNOW?

If your child is absent from school for **10 days**, and has no other absences for the year, it means the best attendance they can achieve is **94.7%**

If your child's attendance was **90%** from Year 1 to Year 11 they would miss **a whole year of education**

10 minutes late each day = 1 lesson lost in a week

1 lesson lost per week = 1 school day lost each half term

1 school day lost each half term = 6 days lost learning in a year

Good attendance and punctuality are directly linked to achievement - your child's chances of success are greatly improved if they attend school regularly.

**GIVE YOUR CHILD A BETTER FUTURE -
AIM FOR 100% SCHOOL ATTENDANCE**

Aim for 100% attendance for a better future

GET YOUR CHILD TO SCHOOL ON TIME

Their future is in your hands...
